GOLD CUP GLADS
for 1955

RALPH R. SHAW, LIBRARIAN,
LIBRARY, U.S. DEPT. OF AGR.,
WASHINGTON 25, D. C.

Our 1954 Sweepstakes exhibit at Yakima International Gladiolus Show. This exhibit gave us permanent possession of the large gold trophy for our third successive sweepstakes.

A FREE GIFT FOR YOU

Many of our customers are delighted with the extras in the form of over-count and newer kinds that we include for trial; and if you send us the names and addresses of friends that grow 500 or more Glads—well, we just try to outdo ourselves in giving extras.

PARCEL POST SHIPMENTS

Parcel Post is not insured against freezing, so should you wish your order sent in this manner (much cheaper than express on orders of 12 lbs. or less) you had better let us keep it until danger of freezing is past—usually March 15th. We will advance the postage and notify you of the amount. Please add 10% to partially cover cost. We will notify you of any additional charges.

GUARANTEE

Our Bulbs are Guaranteed Free from Thrip, as we treat the bulbs with 10% D.D.T. dust as soon as they are harvested. There is no need to treat bulbs received from us unless they have been in close

contact with some that are infested. Play safe and treat your home-grown bulbs with 10% D.D.T. dust, too.

SHIPMENT

All orders are sold with the understanding that the shipping charges will be paid by the customer. That means F.O.B. Portland, Oregon, except pool car shipments which are prepaid to Chicago, Ill., or Trenton, N. J.

A service charge of 35 cents will be charged on all orders of less than \$3.00, as they cannot be filled and shipped at a profit.

Orders of \$10.00 or more may be sent any time in U.S.A. via Railway Express. Those held for Spring delivery will be shipped as weather permits. Local and Pacific Coast orders may be shipped at any time.

We advise Railway Express shipment rather than freight as congested conditions sometimes cause long delays. Auto freight has proven very satisfactory for Pacific Coast and Texas orders of 100 lbs. or more.

STAKES FOR MARKING ROWS

Now, for the first time, we are offering the same sharpened cedar stakes that we use in our own large fields. They are painted white on the top 4 or 5 inches and are 1 to 1 1/4 inches wide. They can be used for years by just repainting each season. Priced as follows: 20 for \$1.00, 100 for \$4.50, or \$40 per 1000. F.O.B. Portland, Ore.

NEW IMPROVED CERESAN

This is without a doubt the best all around pre-planting treatment for Gladiolus bulbs. Soak in this solution for 30 minutes as directed, and most of your disease problems will be solved. We tried to secure smaller packages, but 1 lb. lots is the best we could do. 1 lb. can \$1.60—makes 100 gals. of dip. Enough for an acre of bulbs. Cut down the quantity according to your needs, such as 1/4 lb. would make 25 gals., etc. Complete directions will be included. F.O.B. Portland, Ore.

10% CAPTAN DUST

For years, gladiolus growers have been searching for a dust to combat BOTRYTIS. This is a fungus that attacks your flowers in damp weather causing pin point holes in the petals. With this dust, we were successful in keeping Botrytis out of our plantings altho the past summer was one of the wettest Oregon has ever experienced. If your climate is damp, you cannot afford to be without CAPTAN 10% Dust. This can also be applied to the harvested bulbs to check mould. **MUST USE A GOOD DUST MASK WHEN APPLYING.**

5-lb. bag . . . \$3.00	25-lb. bag . . . \$10.00
10-lb. bag . . . 5.00
